Dear Judge John F. Anderson
My name is Artavia Palmer 3/3/87
and I was charged in your
courtroom on 12/2008 for DWI
and giving false information. I
am writing this letter to ask for
another 30 day extension on
my \$420.00 payment. I just
recently got terminated from
my job and incurred a lot of unexpected
debt. I am sure 30 additional
calendar days is all I need
to pay the full amount. I will be paying
half before the extension is granted
by if I may be granted the 30 days
it would be greatly appreciated
and help me out in my situation
a lot. Thank you for all your
help.
